

Michael McGuinness
Health Insurance Specialist

Imagine the thought of not being able to enjoy your life outdoors because of ill health and then your recovery being hindered by long waits for diagnosis and treatment. Private medical insurance allows you to choose when, where and by whom you'll be treated.

Sourcing quotes from a wide range of leading insurance companies, The Right Protection 4U Limited can help you find the right insurance policy for you, your family or business. Having a health insurance policy in place will not only mean that you receive prompt high-quality medical treatment but it will also mean that you'll have protection and cover, should you be diagnosed with an illness that requires treatment. To discuss your requirements, contact The Right Protection 4U Limited for impartial advice.

You only need 2 employee's to start a business Healthcare Plan with VitalityHealth. VitalityHealth want your employees to live life well. And they're here to help them do it. They can help your employees get healthier, and make sure they get the best possible medical care if they get ill.

I'm local and have been helping UFU members save money on their health insurance since 1996, the advice I offer is both free and impartial, so whether you simply want to review your existing health insurance or you are interested in new quote for you or the business.

Call or email your local expert for free, no-obligation quote
